

## PUBLIC NOTICE

In accordance with the requirements of the United States Environmental Protection Agency in 40 CFR 403.8(f)(2)(vii), the Metropolitan Water Reclamation District of Greater Chicago (District) herewith provides notification to the public of those industrial dischargers to its system which were determined to be significant violators of applicable Pretreatment Standards or Other Requirements during the period from January 1, 2001 to December 31, 2001.

The District also herewith commends the efforts of those industrial users which demonstrated exemplary and consistent performance by maintaining compliance with applicable Pretreatment Standards or Other Requirements during the period from January 1, 2001 to December 31, 2001.

### DISCHARGERS DEMONSTRATING EXEMPLARY COMPLIANCE

The significant industrial users identified below demonstrated exemplary performance with regard to maintaining compliance with applicable Pretreatment Standards and Other Requirements. These industrial users were not the subject of any enforcement actions taken by the District for noncompliance during the report period. The District commends these industrial users for their efforts.

### **DISCHARGERS DEMONSTRATING CONSISTENT COMPLIANCE**

The significant industrial users identified below demonstrated consistent performance with regard to maintaining compliance with applicable Pretreatment Standards and Other Requirements. These industrial users were not found to be in significant noncompliance with applicable Pretreatment Standards or Other Requirements in accordance with the selection criteria established by the United States Environmental Protection Agency in 40 CFR 403.8(f)(2)(vii), or additional selection criteria established by the District in Appendix E, Section 2, to the Sewage and Waste Control Ordinance, during the report period.

\* Company not in Significant Noncompliance, based on District records, as of December 31, 2001.

The Metropolitan Water Reclamation District of Greater Chicago will exercise full and immediate enforcement powers as provided by our ordinances to insure that violators listed above are brought into compliance with acceptable standards for pretreatment of industrial waste.
