|   |             |
|---|-------------|
| List of Tables.....   | ix          |
| List of Exhibits .....  | x           |
| <b>Executive Summary.....</b>   | <b>ES-1</b> |
| <b>Preamble .....</b>   | <b>P-1</b>  |
| <b>Chapter 1      Authority, Purpose and Goals .....</b>  | <b>1-1</b>  |
| 1.1      Introduction .....   | 1-1         |
| 1.2      Organization of the Cook County Stormwater Management Plan .....                                   | 1-1         |
| 1.3      Statutory Background.....  | 1-2         |
| 1.4      Municipal Conferences and Watershed Planning Councils.....   | 1-3         |
| 1.5      History of Cook County Stormwater Management Plan Development.....                                 | 1-4         |
| 1.6      Stormwater Management Authority .....  | 1-5         |
| 1.7      Mission and Purpose .....  | 1-7         |
| 1.8      Goals .....  | 1-7         |
| 1.9      Project Minimum Requirements .....   | 1-9         |
| 1.10      Summary .....   | 1-11        |
| <b>Chapter 2      Existing Stormwater Management Framework and Resources....</b>                            | <b>2-1</b>  |
| 2.1      Introduction .....   | 2-1         |
| 2.2      Functional Framework.....  | 2-1         |
| 2.3      Local Agency Roles and Resources .....   | 2-2         |
| 2.3.1      Municipalities.....  | 2-2         |
| 2.3.2      Townships.....   | 2-2         |
| 2.3.3      Metropolitan Water Reclamation District of Greater Chicago.....                                  | 2-3         |
| 2.3.4      Park Districts .....   | 2-3         |
| 2.3.5      Drainage Districts .....   | 2-4         |
| 2.3.6      Cook County Highway Department .....   | 2-4         |
| 2.3.7      Cook County Department of Building and Zoning .....  | 2-5         |
| 2.3.8      Forest Preserve District of Cook County .....  | 2-5         |
| 2.3.9      Soil and Water Conservation Districts .....  | 2-6         |
| 2.3.10      Property and Homeowner Associations .....   | 2-6         |
| 2.4      Regional Agency Roles and Resources .....  | 2-7         |
| 2.4.1      Municipal Conferences .....  | 2-7         |
| 2.4.2      Chicago Metropolitan Agency for Planning .....   | 2-7         |
| 2.5      State Agency Roles and Resources .....   | 2-8         |
| 2.5.1      Illinois Department of Natural Resources – Office of Water Resources.....                        | 2-8         |
| 2.5.2      Illinois Department of Natural Resources – State Water Survey .....                              | 2-9         |
| 2.5.3      Illinois Department of Natural Resources – Office of Realty and Environmental Planning .....     | 2-10        |
| 2.5.4      Illinois Department of Natural Resources – Office of Resource Conservation .....                 | 2-11        |
| 2.5.5      Illinois Department of Natural Resources – Office of Architecture, Engineering, and Grants ..... | 2-11        |
| 2.5.6      Illinois Department of Natural Resources – Office of Scientific                                  |             |

---

|                  |  |            |
|------------------|--|------------|
| <b>Chapter 4</b> | <b>Assessment of Stormwater Conditions and Problems .....</b>                                | <b>4-1</b> |
| 4.1              | Introduction .....   | 4-1        |
| 4.2              | County Overview .....  | 4-1        |
| 4.3              | Watershed Descriptions and Floodplains .....   | 4-1        |
| 4.3.1            | North Branch Chicago River .....   | 4-2        |
| 4.3.2            | Lower Des Plaines Tributaries .....  | 4-2        |
| 4.3.3            | Calumet-Sag Channel.....   | 4-2        |
| 4.3.4            | Little Calumet River .....   | 4-3        |
| 4.3.5            | Poplar Creek .....   | 4-3        |
| 4.3.6            | Upper Salt Creek.....  | 4-3        |
| 4.4              | Soil Erosion and Sediment Control .....  | 4-3        |
| 4.4.1            | Construction Activities.....   | 4-3        |
| 4.4.2            | Streambank Erosion .....   | 4-4        |
| 4.5              | Effects of Urban Development and Redevelopment .....   | 4-5        |
| 4.5.1            | Development Activity in Streams, Lakes and Wetlands .....                                    | 4-5        |
| 4.5.2            | Changes to Runoff Rates and Volumes .....  | 4-6        |
| 4.5.3            | Degraded Quality of Runoff .....   | 4-6        |
| 4.6              | Flooding.....  | 4-8        |
| 4.7              | Water Quality and Water Body Use Impairment .....  | 4-9        |
|                  | Table 4.1 Common Pollutants from Section 303(d) listings for Cook County<br>Watersheds ..... | 4-11       |
| 4.8              | Summary .....  | 4-11       |
| <b>Chapter 5</b> | <b>Countywide Stormwater Management Program .....</b>  | <b>5-1</b> |
| 5.1              | Introduction .....   | 5-1        |
| 5.2              | Administration and Management .....  | 5-1        |
| 5.2.1            | Coordination with Watershed Planning Councils .....  | 5-3        |
| 5.2.2            | Assign and Train Staff.....  | 5-3        |
| 5.2.3            | Provide Technical Support .....  | 5-3        |
| 5.2.4            | Funding Mechanisms .....   | 5-3        |
| 5.2.5            | Budgeting.....   | 5-5        |
| 5.3              | Regulation .....   | 5-5        |
| 5.3.1            | Prepare and Adopt a Watershed Management Ordinance .....                                     | 5-6        |
| 5.3.2            | Prepare Technical Guidance Manual .....  | 5-6        |
| 5.3.3            | Institute Ordinance Implementation and Enforcement Structure .....                           | 5-6        |
| 5.3.4            | Applicability to Dual-County Communities .....   | 5-7        |
| 5.3.5            | Coordinate Professional Education .....  | 5-7        |
| 5.3.6            | Fund Regulatory Activities .....   | 5-7        |
| 5.4              | Maintenance .....  | 5-8        |
| 5.4.1            | Current Maintenance Activities .....   | 5-8        |
| 5.4.2            | Maintenance for Stormwater Infrastructure .....  | 5-8        |
| 5.4.3            | Maintenance for Natural Drainage Systems .....   | 5-8        |
| 5.4.4            | Debris Clearing .....  | 5-9        |
| 5.4.5            | Small Stream Maintenance Program .....   | 5-9        |
| 5.5              | Watershed Planning .....   | 5-9        |
| 5.5.1            | Watershed Planning and Coordination Activities .....   | 5-9        |
| 5.5.1.1          | Cook County Planning Activities .....  | 5-9        |
| 5.5.1.2          | Water Resources Agencies .....   | 5-10       |
| 5.5.1.3          | Active Drainage Districts .....  | 5-10       |
| 5.5.1.4          | Community Rating System .....  | 5-10       |
| 5.5.1.5          | Hydrologic Data Collection .....   | 5-11       |

| <br><b>Chapter 7 Regulatory Concepts.....</b> |  | <b>7-1</b> |
| 7.1   | Introduction .....   | 7-1        |
| 7.2   | Comprehensive Purpose Statement.....   | 7-1        |
| 7.3   | Floodplain Management.....   | 7-2        |
|   | 7.3.1 Floodplain Requirement Applicability.....                                  | 7-3        |
|   | 7.3.2 Floodplain Requirements and Floodplain Mapping .....                       | 7-3        |
|   | 7.3.3 Restrict Floodway Development to Appropriate Uses .....                    | 7-3        |
|   | 7.3.4 Mitigate Floodway Construction Activities .....                            | 7-4        |
|   | 7.3.5 Compensation for Lost Storage in the Flood Fringe .....                    | 7-5        |
|   | 7.3.6 Compensation for Lost Storage in Depressional Storage Areas .....          | 7-5        |
|   | 7.3.7 Require Flood Protection Elevation .....                                   | 7-5        |
|   | 7.3.8 Require that a Map Change be Obtained for Floodplain Modifications .....   | 7-5        |
| 7.4   | Stormwater Drainage and Detention .....  | 7-5        |
|   | 7.4.1 Stormwater Drainage and Detention Requirement Applicability .....          | 7-6        |

## TABLE OF CONTENTS

|     |   |      |
|-----|---|------|
|     | 7.4.2 Consider Control of the 100-year Release Rate .....   | 7-6  |
|     | 7.4.3 Consider Control of the Low Flow Release Rate .....   | 7-6  |
|     | 7.4.4 Detention Design Using Appropriate Hydrologic Methods .....   | 7-6  |
|     | 7.4.5 Consider Steps to Minimize Increases in Runoff Volumes .....  | 7-6  |
|     | 7.4.6 Consider Detention Designs which Maximize Water Quality Benefits .....  | 7-7  |
|     | 7.4.7 Preservation of Onsite Depressional Storage .....   | 7-7  |
|     | 7.4.8 Detention in the Flood Fringe.....  | 7-7  |
|     | 7.4.9 Detention in the Floodway .....   | 7-7  |
|     | 7.4.10 Onstream Detention .....   | 7-7  |
|     | 7.4.11 Direct Discharge of Stormwater Runoff the Wetlands .....   | 7-7  |
|     | 7.4.12 Formal Maintenance Agreements for New Stormwater Facilities ....   | 7-8  |
|     | 7.4.13 Address Subsurface Tile Systems.....   | 7-8  |
| 7.5 | Wetland Protection .....  | 7-8  |
|     | 7.5.1 Protection of all Wetlands from Damaging Modifications .....  | 7-9  |
|     | 7.5.2 Modification of High Quality Aquatic Resources .....  | 7-9  |
|     | 7.5.3 Modification of Wetlands for Stormwater Management Purposes ...   | 7-9  |
|     | 7.5.4 Buffers along Lakes and Wetlands.....   | 7-9  |
|     | 7.5.5 Minimum Buffer Width and Encroachments .....  | 7-10 |
|     | 7.5.6 Consider Allowance for Buffer Averaging along Lakes and Wetlands .....  | 7-10 |
|     | 7.5.7 Mitigation for Wetland Modifications .....  | 7-10 |
| 7.6 | Stream Habitat and Riparian Environment Protection .....  | 7-10 |
|     | 7.6.1 Watercourse Relocation or Modification .....  | 7-11 |
|     | 7.6.2 Mitigation for Unavoidable Stream Modifications .....   | 7-11 |
|     | 7.6.3 Armoring of Channels and Banks .....  | 7-11 |
|     | 7.6.4 Culvert Crossings of Streams .....  | 7-11 |
|     | 7.6.5 Onstream Impoundments .....   | 7-12 |
|     | 7.6.6 Buffers along Streams.....  | 7-12 |
|     | 7.6.7 Minimum Buffer Width and Encroachments .....  | 7-12 |
|     | 7.6.8 Consider Allowance for Buffer Averaging along Streams and Riparian Areas .....                                  | 7-12 |
| 7.7 | Soil Erosion and Sediment Control .....   | 7-12 |
|     | 7.7.1 Soil Erosion and Sediment Control Measure Applicability .....   | 7-13 |
|     | 7.7.2 Comprehensive Principles to Minimize Sediment Transport from the Site .....                                     | 7-13 |
|     | 7.7.3 Soil Erosion and Sediment Control Measures Consistent with Established Guidance .....                           | 7-13 |
|     | 7.7.4 Consider Individual Site Soil Erosion and Sediment Control Plans and Stormwater Pollution Prevention Plans..... | 7-14 |
|     | 7.7.5 Installation of Sediment Control Measures Prior to Land Disturbance .....                                       | 7-14 |
|     | 7.7.6 Early Implementation of Soil Erosion Control Measures .....   | 7-14 |
|     | 7.7.7 Routine Inspection and Maintenance of all Soil Erosion and Sediment Control Measures.....                       | 7-14 |
|     | 7.7.8 Enforcement Tools.....  | 7-14 |
| 7.8 | Water Quality .....   | 7-14 |
|     | 7.8.1 Water Quality Protection Applicability .....  | 7-15 |
|     | 7.8.2 Preservation of Natural Hydrologic and Pollutant Filtering Functions of Sites .....                             | 7-15 |
|     | 7.8.3 Incorporate Best Management Practices in Site Design .....  | 7-15 |
|     | 7.8.4 Consider a Requirement for a Maintenance Plan for Best Management Practices .....                               | 7-15 |

## TABLE OF CONTENTS

---

|                  |   |            |
|------------------|---|------------|
| 7.8.5            | Minimize Impervious Surfaces .....  | 7-16       |
| 7.8.6            | Encourage Sustainable, Low Maintenance Water Quality Improvement Operations ..... | 7-16       |
| 7.9              | Best Management Practice Alternatives .....                                       | 7-16       |
| 7.9.1            | Natural Drainage Measures .....   | 7-17       |
| 7.9.2            | Natural Detention Basin Designs .....   | 7-17       |
| 7.9.3            | Infiltration Practices .....  | 7-17       |
| 7.9.4            | Natural Landscaping .....   | 7-17       |
| 7.9.5            | Preservation of Natural Depressional Storage .....                                | 7-17       |
| 7.9.6            | Rain Gardens .....  | 7-17       |
| 7.9.7            | Rain Barrels or Cisterns .....  | 7-18       |
| 7.9.8            | Vegetated Roofs.....  | 7-18       |
| 7.9.9            | Permeable Paving Materials .....  | 7-18       |
| 7.10             | Implementation of Design Alternatives .....                                       | 7-18       |
| 7.10.1           | Sensitive Site Analysis .....   | 7-19       |
| 7.10.2           | Cluster Developments.....   | 7-19       |
| 7.10.3           | Reducing Building Setbacks .....  | 7-19       |
| 7.11             | Development and Redevelopment .....   | 7-19       |
| 7.12             | Summary .....   | 7-20       |
| <b>Chapter 8</b> | <b>Plan Implementation .....</b>  | <b>8-1</b> |
| 8.1              | Introduction .....  | 8-1        |
| 8.2              | Adoption of the Cook County Stormwater Management Plan .....                      | 8-1        |
| 8.3              | Implementation Phasing .....  | 8-1        |
| 8.4              | Implementation Phase 1.....   | 8-2        |
| 8.4.1            | Coordination with Watershed Planning Councils .....                               | 8-2        |
| 8.4.2            | Assign and Train Staff.....   | 8-2        |
| 8.4.3            | Prepare the Watershed Development Ordinance .....                                 | 8-2        |
| 8.4.4            | Prepare Technical Guidance Manual .....   | 8-2        |
| 8.4.5            | Continue Current Maintenance Activities .....                                     | 8-3        |
| 8.4.6            | Watershed Planning and Coordination Activities .....                              | 8-3        |
| 8.4.7            | Prepare Detailed Watershed Plans .....  | 8-3        |
| 8.4.8            | Funding Mechanisms & Budgeting .....  | 8-3        |
| 8.4.9            | Implement Capital Program .....   | 8-3        |
| 8.4.10           | Develop Public Information Program .....  | 8-3        |
| 8.4.11           | Prepare Annual Report .....   | 8-4        |
| 8.5              | Implementation Phase 2.....   | 8-4        |
| 8.5.1            | Coordination with Watershed Planning Councils .....                               | 8-4        |
| 8.5.2            | Train Additional Staff .....  | 8-4        |
| 8.5.3            | Provide Technical Support .....   | 8-4        |
| 8.5.4            | Adopt the Watershed Development Ordinance .....                                   | 8-4        |
| 8.5.5            | Coordinate Professional Education .....   | 8-6        |
| 8.5.6            | Develop Maintenance Recommendations for Stormwater Infrastructure .....           | 8-6        |
| 8.5.7            | Develop Maintenance Recommendations for Natural Drainage Systems.....             | 8-6        |
| 8.5.8            | Continue Current Maintenance Activities .....                                     | 8-6        |
| 8.5.9            | Prepare Detailed Watershed Plans .....  | 8-6        |
| 8.5.10           | Funding Mechanisms & Budgeting .....  | 8-6        |
| 8.5.11           | Implement Capital Program .....   | 8-6        |
| 8.5.12           | Prepare Public Information Materials.....   | 8-6        |
| 8.5.13           | Prepare Annual Report .....   | 8-6        |
