Water Reclamation  
District President  
**Kathleen Therese**  
**Meany**; and **David**  
**Saladino**, IEPA  
environmental  
protection

specialist, attended a recent hazardous waste collection. Almost 1,200 area households participated, dropping off bug spray, antifreeze, paint, weed killers and other types of hazardous waste products during a collection held at Moraine Valley Community College. The next local collection day will be Saturday, June 28, at Eisenhower High School, 12700 Sacramento Ave., in Blue Island, from 8 a.m. to 3 p.m.
