

**PUBLIC NOTICE**

In accordance with the requirements of the United States Environmental Protection Agency in 40 CFR 403.8(f)(2)(viii), the Metropolitan Water Reclamation District of Greater Chicago (District) herewith provides notification to the public of those industrial dischargers to its system which were determined to be significant violators of applicable Pretreatment Standards or Other Requirements during the period from January 1, 2006 to December 31, 2006.

The District also herewith commends the efforts of those industrial users which demonstrated exemplary and consistent performance by maintaining compliance with applicable Pretreatment Standards or Other Requirements during the period from January 1, 2006 to December 31, 2006.

**DISCHARGERS DEMONSTRATING EXEMPLARY COMPLIANCE**

The significant industrial users identified below demonstrated exemplary performance with regard to maintaining compliance with applicable Pretreatment Standards and Other Requirements. These industrial users were not the subject of any enforcement actions taken by the District for noncompliance during the report period. The District commends these industrial users for their efforts.
