MWRD to provide mid-point review of Centennial Trail project

Who: Metropolitan Water Reclamation District of Greater Chicago (MWRD)

What: Centennial Trail update

When: 6 p.m. on Monday, May 19, 2014

Where: Willow Springs Community Center, 8156 Archer Ave., Willow Springs

The Metropolitan Water Reclamation District of Greater Chicago (MWRD) will be providing a mid-point review of the McCook Reservoir and Centennial Trail improvements project. The meeting will be held at 6 p.m. on Monday, May 19, 2014 at the Willow Springs Community Center, 8156 Archer Ave., Willow Springs.

Landscape architect firm Burns and McDonnell have updated the plans based on comments received at the last public meeting, and those revisions will be presented. Some of the updates include constructing two hills and adding a hiking trail to the look-out location.

Additional information can be found at www.mwrdd.org, under Public Affairs > Issues & Initiatives > Centennial Trail.

###

Our Water Environment: Take it personally.

Established in 1889, the MWRD (www.mwrdd.org) is an award-winning, special purpose government agency responsible for wastewater treatment and stormwater management in Cook County, Illinois.
