MWRD compost to take center stage at 6th annual iLandscape Show in Schaumburg Jan. 30 – Feb. 1

Who: Metropolitan Water Reclamation District of Greater Chicago

What: Illinois Landscape Contractors Association's 6th annual iLandscape Show

Where: Renaissance Schaumburg Convention Center, 1551 N. Thoreau Dr., Schaumburg, IL

When: Wed., Jan. 30 (9 a.m. – 4:30 p.m.); Thurs., Jan. 31 (9 a.m. – 4:30 p.m.), and Fri., Jan. 31 (9 a.m. – 4:30 p.m.)

Why: To showcase compost produced by the MWRD

The Metropolitan Water Reclamation District of Greater Chicago (MWRD) will be showcasing its Exceptional Quality (EQ) Compost at the Illinois Landscape Contractors Association's 6th annual iLandscape Show Jan. 30 through Feb. 1 at the Renaissance Schaumburg Convention Center, 1551 N. Thoreau Dr., Schaumburg, Illinois.

More than 6,000 landscaping professionals from throughout Illinois and the Midwest will attend to learn about new tools and resources to help grow their businesses.

MWRD's EQ Compost is registered with the Illinois Dept. of Agriculture as a soil amendment. It improves soil structure, supplies organic matter, and allows plants to more effectively utilize nutrients. There is no charge for EQ Compost.

For more information about the show, visit <https://ilandscapeshow.com/>.

Not attending the show? To learn more about EQ Compost or to request a pickup or delivery, please visit <http://compost.mwr.org>, email compost@mwr.org, or call (708) 588-4303. 20-pound sample bags will be available at MWRD Water Reclamation Plants on Wednesdays from 9 a.m. – noon beginning in April.

###

Recovering Resources, Transforming Water

Established in 1889, the MWRD (www.mwr.org) is an award winning, special purpose government agency responsible for wastewater treatment and stormwater management in Cook County, Illinois.
