FIFTH ANNUAL  
**SUSTAINABILITY SUMMIT**  
2017

Public enthusiasm and support for environmental sustainability is growing every day, and responsive local governments are developing programs that utilize local resources, save money and improve the environment.

Join us Monday, October 23 at our Fifth Annual Sustainability Summit

- No registration fee!
- Learn about free and low-cost resources available for your community
- Hear success stories from industry experts and community leaders
- Discover how green infrastructure can help improve water quality and prevent flooding
- Learn how MWRD biosolids and EQ compost can improve your turf quality and reduce your carbon footprint
- Take home some free tree saplings and compost
- Enjoy complimentary refreshments

**YOU'RE INVITED**
